

Next steps for securing PPE for optometry practices:

Looking beyond the current nationwide shortage, AOA doctors are advised that AOAExcel's (www.ExcelOD.com) exclusive group purchasing organization (GPO) partner, Intalere, is positioned to gain assured, long-term access to steady supplies of hospital-grade, quality controlled PPE at competitive pricing. This is an AOA member benefit.

- For doctors/practices already enrolled in AOAExcel's GPO program: You may directly contact Intalere's Operational Continuity & Emergency Management team at 877-711-5600 for the latest information on PPE availability and access. (Intalere member number is required. If not known, it can be accessed by contacting the AOAExcel team at [aoaexcel@aoa.org](mailto:aoaexcel@aoa.org)).
- For doctors/practices not yet enrolled in AOAExcel's GPO program: Click here to provide basic registration information. The enrollment process will be completed within four business days.
